DEPARTMENT OF SAFETY AND HOMELAND SECURITY
Title VI COMPLIANCE AND IMPLEMENTATION PROGRAM

DSHS Policy Statement

The DSHS is committed to ensuring that no person in the State of Delaware shall on the basis of race, color, national origin, sex, age, disability, low income, or Limited English Proficiency (LEP) be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination under any and all programs, services, or activities administered by the department, it’s recipients, sub-recipients, and contractors. DSHS, as a recipient of federal financial assistance, will ensure full compliance with Title VI of the Civil Rights of 1964; 49CFR Part 21, 49 CFR Part 303 and related nondiscrimination authorities.

The Civil Rights Restoration Act of 1987 clarified Title VI to specify that entire institutions receiving Federal Funds must comply with Federal civil rights authorities, rather than just the particular programs or activities that receive the funds.

Nondiscrimination programs require that Federal-aid recipients, sub-recipients, and contractors prevent discrimination and ensure nondiscrimination in all of their programs and activities, whether those programs are federally-funded or not.

The Title VI Coordinator will be responsible for implementing the Title VI Program. Additionally, Division Directors and all responsible personnel are directed to assist the Title VI Coordinator in the effective implementation of the Title VI Program.

The Secretary of Delaware Department of Safety and Homeland Security has signed the Federal Motor Carrier Safety Administration (FMCSA) Title VI Program Assurance and will ensure that sub-recipients, contractors, successors, transferees and/or assignees sign an assurance document.

DOT Order No. 1050.2A

The Department of Safety and Homeland Security (herein referred to as the “Recipient”), HEREBY AGREES THAT, as a condition to receiving any Federal financial assistance from the United States Department of Transportation (DOT), through the Federal Motor Carrier Safety Administration (FMCSA), is subject to and will comply with the following:

Statutory/Regulatory Authorities

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 Stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 et seq.), (prohibits discrimination on the basis of sex);
- Title IX of the Education Amendments of 1972, as amended, (20 U.S.C. § 1681 et seq.), (prohibits discrimination on the basis of sex in education programs or activities);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability);
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- Americans with Disabilities Act of 1990, as amended, (42 U.S.C. § 12101 et seq.), (prohibits discrimination on the basis of disability);
- 49 C.F.R. part 21 (entitled Nondiscrimination In Federally-Assisted Programs Of The Department Of Transportation—Effectuation Of Title VI Of The Civil Rights Act Of 1964);
- 49 C.F.R. part 27 (entitled Nondiscrimination On The Basis Of Disability In Programs Or Activities Receiving Federal Financial Assistance);
- 49 C.F.R. part 28 (entitled Enforcement Of Nondiscrimination On The Basis Of Handicap In Programs Or Activities Conducted By The Department Of Transportation);
- 49 C.F.R. part 37 (entitled Transportation Services For Individuals With Disabilities (ADA));
- 49 C.F.R. part 303 (FMCSA’s Title VI/Nondiscrimination Regulation);
- 28 C.F.R. part 35 (entitled Discrimination On The Basis Of Disability In State And Local Government Services);
- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);

The preceding statutory and regulatory cites hereinafter are referred to as the “Acts” and “Regulations,” respectively.

Although not applicable to Recipients directly, there are certain Executive Orders and relevant guidance that direct action by Federal agencies regarding their federally assisted programs and activities to which compliance is required by Recipients to ensure Federal agencies carry out their responsibilities. Executive Order 12898 (1995), entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” emphasizes that Federal agencies should use existing laws to achieve Environmental Justice, in particular Title VI,
to ensure nondiscrimination against minority populations. Recipients should be aware that certain Title VI matters raise Environmental Justice concerns and FMCSA intends that all Recipients evaluate and revise existing procedures (as appropriate) to address and implement Environmental Justice considerations. See the following FHWA website for more information and facts about Environmental Justice: http://www.fhwa.dot.gov/environment/environmental_justice/index.cfm

Additionally, Executive Order 13166 (2001) on Limited English Proficiency, according to the U.S. Department of Justice in its Policy Guidance Document dated August 16, 2000 (65 Fed. Reg. at 50123), clarifies the responsibilities associated with the “application of Title VI’s prohibition on national origin discrimination when information is provided only in English to persons with limited English proficiency.” When receiving Federal funds Recipients are expected to conduct a Four-Factor Analysis to prevent discrimination based on National Origin. (See also U.S. DOT’s “Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons,” dated December 14, 2005, (70 Fed. Reg. at 74087 to 74100); the Guidance is a useful resource when performing a Four-Factor Analysis).

**General Assurances**

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, national origin, sex, age, disability, low-income, or LEP be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from DOT, including the FMCSA."

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973) by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally-assisted.

**Specific Assurances**

More specifically, and without limiting the above general Assurances, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted FMCSA Program:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in 49 C.F.R. §§ 21.23 (b) and 21.23 (e) will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations;

2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with the FMCSA Program and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

“The (Title of Recipient), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant
to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner’s race, color, national origin, sex, age, disability, income-level, or LEP in consideration for an award.”;

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations;

4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient;

5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith;

6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property;

7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
   a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
   b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:
   a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
   b. the period during which the Recipient retains ownership or possession of the property.

9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.
By signing this ASSURANCE, The Department of Safety and Homeland Security also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the FMCSA access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the FMCSA. You must keep records, reports, and submit the material for review upon request to FMCSA, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The Department of Safety and Homeland Security gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the Department of Transportation under the FMCSA Program. This ASSURANCE is binding on Delaware, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors’, transferees, successors in interest, and any other participants in the FMCSA Program. The person(s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

Sub-Recipient Compliance Reports

DSHS will be sub-awarding funds to DelDOT for operations and maintenance of FMCSA funded ITD systems as part of the 2018 MCSAP Grant Program. Delaware DSHS requires its Recipients of FMCSA funds (FMCSA Sub-Recipients) to sign and submit the FMCSA Title VI Program Assurance and submit a supplemental Title VI Program document to include the applicable sections of the FMCSA Title VI Program Compliance Plan Checklist to Delaware DSHS with the grant application.

The FMCSA Applicant Title VI Program Compliance Plan Checklist under “Sub-Recipient Compliance Reports” states “the Applicant is responsible for monitoring how the entity (i.e., Sub-Recipient of Federal funding) is effectively implementing Title VI Program requirements.

Accordingly, the Delaware State Police (DSP) will obtain and maintain the supporting documents for the addition of DelDOT as a Sub-Recipient. The DSP will periodically review the documentation to determine the Sub-Recipient’s compliance regarding the effective implementation of the Title VI Program.

Title VI COMPLIANCE AND IMPLEMENTATION PROGRAM

Complaint Disposition Process

An individual or group that believes they have been subjected to discrimination based on their race, color, sex, age, national origin, disability/handicap including income level and Limited English Proficiency (LEP), may file a complaint. Complaints must be filed within 180 days of the alleged discriminatory act and must be filed in writing and signed (preferably using DSHS V-1). All forms will be provided by the Title VI Coordinator.

Complaints must contain the name of the person or group filing the complaint, (the complainant), and must contain contact information such as telephone number and address.

Complaints may also be filed at the Regional Office for Civil Rights. The address will provided by the Title VI Coordinator.

Title VI Coordinator

The Title VI Coordinator is responsible for investigating and/or referring complaints as deemed necessary and assists in correcting Title VI problems or discriminatory practices.

The Title VI Coordinator is also responsible for maintaining all complaint records including the Title VI Complaint Log.

The Title VI Coordinator will be involved in all aspects of the complaint process including the ultimate disposition of the case, and notifying the Complainant of the final result.
Investigations

Within 10 working days of receipt of the formal complaint (Form DSHS- V1), the Title VI Coordinator will notify the complainant and begin an investigation.

He/she will conduct a fact finding investigation within 30 days from receipt of the complaint. The Title VI Coordinator will issue a Report of Investigation (Form DSHS VI- 2)

The following steps will be taken (at a minimum):

• Determine the scope
• Develop an investigative plan
• Prepare Request for information for DSHS
• Conduct an onsite visit, as necessary
• Analyze the evidence
• Prepare the Report of Findings

The investigation may include discussion(s) of the complaint with all affected parties to determine the problem. The complainant may be represented by an attorney or other representative of his/her own choosing.

The complainant will be sent a letter stating that the final decision will be issued by the end of the 60 day time limit.

The investigation will be conducted and completed within 60 days of the receipt of the formal complaint.

Based upon all the information received, an investigation report will be written by the Title VI Coordinator for submittal to the Secretary’s Designee for Letter of Findings (LOF)

The complainant shall be notified of his/her right to withdraw (Form: DSHS VI 3) or appeal the decision (form: DSHS VI-4).

Appeal

DSHS is committed to a high quality resolution of every case. DSHS affords an opportunity to the complainant to submit an appeal of a letter finding insufficient evidence of a violation. The appeal process provides an opportunity for complainants to bring information to the attention of the Cabinet Secretary that would change the decision. The appeal process will not be a de novo review of the decision (i.e., The Cabinet Secretary will not review the matter as if no previous decision had been rendered).

If the complainant disagrees with the findings in the Report of Investigation, he or she may send a written appeal to the Secretary of the Delaware Department of Safety and Homeland Security. In an appeal, the complainant must explain why he or she believes the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, and how this would change the determination in the case. Failure to do so may result in the denial of the appeal.

In order to be timely, an appeal must be submitted within 60-days of receiving the Report of Investigation.

A written response to an appeal will be issued within 45-days of receipt of an appeal. This decision constitutes the agency’s final decision. Such a decision will inform the complainant that he or she "may have the right to file a private suit in federal court whether or not DSHS finds a violation."
